Dear Eric and crew:

Please accept our appreciation and gratitude for the fine work in replacing our siding and windows. The hail storm of September 2006 was very destructive and devastating.

Your men, especially Mike and Dan and others did repairs over and above the norm. They came back time and time again for the small details that were missed.

The occupants of the townhomes had nothing but praise for you and your company, and I would not hesitate to call on you again should the need arise. Also, I want to thank you for repairing and replacing the fence along Hwy 47, which was knocked down by the state plow as it went along the highway.

So, again, on behalf of the board of directors and the residents of Stonehaven Townhomes, I wish to say thank you for a job well done.

Sincerely yours,
